WHOOPIE!!

WE PURCHASE A "LOT"

October 17, 1951 was a great day for the Coronado Woman's Club for in this memorable month we became proud property owners! Yes, we purchased Lot Arbitrary I, Block 7, on B Street, for the amount of \$6,730.59.

To finance this tremendous project our own enthusiastic members purchased \$2,400.00 in notes at $2\frac{1}{2}\%$ interest. This adequate sum added to our other savings and gifts, and by literally "scraping the bottom of the barrel", we raised sufficient money to pay cash for our prodigious investment.

During the June meeting our diligent president, Mrs. Walter C. Stitt drew from the "old sock" half of the numbers representing the notes to be redeemed. The \$1,200.00 with accrued interest was then returned to the "lucky" members by the treasurer. Quite remarkable in so brief a period of time!

Our hopes are that the future will allow us to construct a building which will be a credit to our organization and to the community which we serve.

**CORONADO WOMAN'S CLUB
COLLECT**

Dear Lord, give us Wisdom to
make us Tolerant,
Kindness to make us Charitable,
Love to make us Compassionate,
So that we may serve Thee and our
fellow man.

CLUB MOTTO

Courage to think truthfully
Wisdom to act watchfully
Compassion to live thoughtfully.

6

**A COLLECT
FOR
CLUB WOMEN**

Keep us, O Lord, from pettiness: let us be large
in thought, in word, in deed.

Let us be done with fault-finding and leave off
self-seeking.

May we put away all pretense and meet each
other face to face, without self-pity and
without prejudice.

May we never be hasty in judgment and always
generous.

Let us take time for all things; make us grow
calm, serene, gentle.

Teach us to put into action our better impulses,
straightforward and unafraid.

Grant that we may realize that it is the little
things that create differences; that in the
big things of life we are as one.

And may we strive to touch and know the great
common woman's heart of us all, and O
Lord God, let us not forget to be kind.

—MARY STEWART.

Did You Know? Marjorie Vann, under the pen name of Marjorie Douglas was the feature editor of the "Coronado Saturday Night," one of Coronado's first newspapers. This was in 1921 and we can't find out if the young editor was in pigtails, curls or flapper bob. Civic Interest: There will be a most flattering letter on the bulletin board from Dr. J. P. Verneti, complimenting the Club on the civic work done for the cancer drive. Eight members of this committee helped to make the Hobby Show both interesting and successful.

These individual favors were made from Hydrocal. Hydrocal is a casting plaster made from gypsum rock by a special process involving high heat and intense pressure. It is used for special casting molds in a variety of industries.

Hydrocal is manufactured by the United States Gypsum Company, and it is the main ingredient in Hydrocal Dental Plasters which are manufactured at the Midland, California Plant.

In the Hydrocal base are Watson Spring Herbs and Bottle Brush Primrose Stocks. Both are found on the Mohave and Colorado Deserts. The

Spring Herb is a low growing plant with yellow flowers, while the Primrose is much taller and has white flowers.

The center pieces are made from the stems of the Dune Primrose. The outer stems of the old plants have a peculiar way of turning inward and upward so that they form, when dried, what desert people often call "baskets" or "bird-cages". The flowers are white, large and sweet scented, and they are found in most sandy spots on the Colorado Desert. It may be of interest to you to learn that Midland and Blythe are in the heart of the Colorado Desert.

CORONADO GROUP NOMINATES SEVEN DELEGATES; MRS. W. STITT, HOSTESS

A half century has passed since the Women's Clubs of the Southern California District Federation first began meeting, comparing notes and planning improvements for their clubs. WINNERS NAMED IN THIRD ANNUAL EASTER EGG HUNT

With over 800 youngsters turning out for the Third Annual Easter Egg Hunt the sponsors of the event, the Recreation Department and the Co-ordinating Council, assisted by the Woman's Club, 20-30, Eagles, Eagles Auxiliary and Sacred Heart Mothers Club, were kept more than busy keeping the children under control.

The Woman's Club with Mrs. Ruth Bradt as chairman spent several days cutting out the 5000 paper eggs to be hid. Friday night the 20-30 Club with Ray Shourds heading that group and Wilbur Gooddale the Eagles scattered the eggs in Green Field. Members of the Woman's Club and Eagles Auxiliary counted the paper eggs and replaced them with the real candy eggs.

The first division was released from the main room of the Youth Center which was made up of Pre-school and kindergarten children. They were given a five minute start on the older youngsters. After covering the field completely they returned to the seven tables marked for the seven divisions. The ladies then tallied the groups and the following were the results with first place winners receiving live Easter rabbits and the second, third and fourth place winners being awarded Easter baskets.

In the Pre-school group Marsha Engle, Mary Lamberton, Michael Williams and Sandy Ball and Diane Miller tying for fourth. The popular Kindergarten group had as their winners: Sally Mashaw, Allan Hanson, Janice Crawford and Shelley Bjork.

The First grade group ended in the following order: Sandra Bowman, Roger Spreen, Marty Jensen and Lucy Healy. The Second grade winners were: Joe Ann Thatcher, Sally Harral, Michael Manning, Jan Rotchstein. Third Grade awards were made to: Nancy Smith, Marlene Hertz, Barry Derrick and Parlow. The Fourth grade best hunters were: Douglas Jensen, James Brown, Carol Sonenshein and Vickie West.

The last division which was for Fifth and Sixth Graders had as their champion egg finders the following: Michael Haas, John Rodee, Marcy Manning and Ralph Whitnig.

Woman's Club Sections Boost Community

While carrying on a wide variety of activities, the many sections of Coronado Woman's Club, under the presidency of Mrs. Walter Stitt, have coordinated their 1951 projects by keeping in mind the ideals of the club's founders, namely, the advancement of culture, philanthropy and community interests.

During the past year the Book section has carried on a study of United States presidents, while the SpeakEasy section has trained members in the art of public speaking.

Sewing section members have been kept busy altering and mending clothes for the Red Cross as well as their own articles; while the Garden section has been prominent in the public eye with its program for the beautification of Orange avenue, the ferry approach, the Yacht Club area, the paper clean-up drive and planting of the Youth Camp grounds on the Strand.

Just as active has been the Music section, which, while adding to its members' appreciation of music, presented a Christmas concert for the public.

Projects undertaken in 1951 by the Civic Interest committee include acting as Halloween parade and Doll Show judges, enlisting workers for the Red Cross, Cancer and Community Chest drives, cooperating with the Ways and Means committee in staffing a Boy Scout Carnival booth; sponsorship of Girl Scout Troop 1, and providing memberships and camperships for Girl Scouts and Camp Fire Girls.

At present an advisory committee for school ground landscaping is assisting the school board in forming a master plan for beautification of Coronado's schools.

Among Welfare Committee projects during the past year have been assistance to the Big Sister League and Coronado Child Health Revolving Fund; Christmas gifts to the New Mexico Indian children; maintenance of a clothing closet at Glorietta school; Christmas Seal self-seller distribution, acting as armed forces hostesses, and sponsorship of a nurse's scholarship fund.

No less active has been the Arts and Crafts section, whose members have been busy the past year fashioning leather and copper articles and ceramics for personal use and gift sale.

ANNUAL EASTER EGG HUNT SAT., APRIL 12

The Co-ordinating Council and the Coronado Woman's Club will co-operate with the Coronado recreation department in staging the annual Easter egg hunt on Saturday, April 12, at 10 a.m.

Youngsters will compete in two divisions in the egg hunt, vieing to see who can find the greatest number of eggs. One division will take in boys and girls up to the third grade; the other will be for youngsters of the fourth to sixth grades inclusive.

Paper eggs to be hidden will be exchanged for candy eggs at the conclusion of the hunt. It is expected the total number of eggs to be carried away and eaten by the children will reach 6,000. A special prize will be won by the most appropriately dressed child participating.

Woman's Club Members Aid Summer Projects

The Coronado Woman's Club, in summer recess until October 3, is actively supporting civic programs as volunteers. Individual members are cooperating with the city recreation department by offering their services as well as those of their vacationing college daughters, nieces and granddaughters to assist as chauffeurs, instructors and playground helpers. The ways and means committee is selling tickets for the Youth Camp carnival. In conjunction with the civic interest committee they have charge of the carnival taco booth on July 3 and 4. The joint committee will meet June 21 at the home of Mrs. Earl Pope with Mrs. Charles Allen and Mrs. Pope directing plans for costumed booth attendance and production of special Mexican Village tacos.

Other club members are assisting various departments of the Red Cross. The garden section continues its supervision of Youth Camp beautification, and the sewing section has children's garments in the making for Christmas.

START EARLY WORK ON CARNIVAL BOOTHS

The various organizations, with booths in the July 3rd and 4th Carnival being sponsored by the Coronado Youth Camp and the Chamber of Commerce, have appointed some of their committees and the work of securing the decorations and stock has begun.

The Veterans of Foreign Wars will sponsor a booth for a public party and a number of prizes will be given by the organization. And if you should desire some of that good old Mexican food served in the best "South of the Border Style," you may visit the

booth of the Coronado Woman's Club, which will serve tacos furnished by the Mexican Village.

Another food booth will be conducted by members of the Eagles and auxiliary. A beverage booth will be run by the Chief Petty Officers, and members of the Lions Club are featuring ham and bacon at their display.

There will be a number of game booths sponsored by such organizations as: Kiwanis Club, Hi Twelve, De Molay, 20-30 Club, Jewish Community Council, Toastmasters, Masonic Club, Es-

Cherished recipes from grandma's cookbook will be available to the public in four categories—meats and sauces, cakes and desserts, pies and breads, and casseroles.

Mmes. Charles Allen, Leo Baker, Joseph Talbert and C. L. Pyle will be in charge of the tables.

Grandpa's specialties, prepared by Coronado's male chefs, will also be offered under the chairmanship of Charles Baker.

Coronado Group Holds First of Annual Socials

By MICHELE MILLER

Coronado Woman's Club has two social sessions a year, and one of them—a merry Valentine bridge party—was held yesterday. The event, second annual hearts and flowers festivity, took place in the crowded V.F.W. Hall. Mrs. Frank J. Kelly, chairman, and Mrs. Charles Allen, co-chairman, headed committees who provided red and white decorations, table prizes of foil-wrapped potted plants and even homemade creamed chicken and chocolate-frosted cake. Mrs. A. R. Benedict was in charge of decor.

The party, designated as strictly social, actually will help finance some of the civic-minded club's philanthropic projects. These include camperships for young people, assistance on Coronado's traditional spring flower show, aid to Indian children of the Zia tribe in New Mexico, and community beautification.

Civic Committee

Planning for community work is done through a civic interests committee, headed by Mrs. I. T. Talbert.

The club's big charity this year is the Coronado Community Hospital which will receive proceeds from a lavish spring benefit, according to Mrs. J. D. McKinney, president and press chairman.

Incidentally, yesterday's party gave members a chance to say, "Happy birthday," to their president, Mrs. Walter Stitt, who was celebrating her anniversary.

Like all members, Mrs. Stitt is looking forward to the day when the club can build its own clubhouse on the Coronado property which it owns. Such a building, she feels, would serve not only woman's club members, but other service groups of the town.

Anniversary Ahead

Mrs. Stitt's birthday, by the way, isn't too far away from the club's own anniversary. Members will celebrate the organization's 5th birthday at the year's second social event, March 19 in Coronado Players' Building.

Mrs. Clarence Anderson is general chairman for the celebration with Mrs. A. D. Challacombe, chairman of the Speak Easy section (speech department), in charge of entertainment. Mrs. Peter Wray will serve as co-chairman.

Stunning clothes, and models to match. That's the winning combination which the Coronado Woman's Club will present in its fall-winter fashion tea Wednesday. Models here are, left to right, Mrs. William Booth, Mrs. Walter Garness and Mrs. Roger Brown.

SURPRISE!!

PRESIDENT'S PARTY

MAY 23rd

Mrs. Walter C. Stitt Honored at Party

Guest of honor at a no-host cocktail party last Friday evening was Mrs. Walter C. Stitt. The party was held in the Glorietta Boulevard home of Dr. and Mrs. James Vann.

Attending the party were Mr. and Mrs. Stitt, Dr. and Mrs. James P. Verneti, Mrs. Flora A. Wilkinson, Dr. and Mrs. Paul Morton, Mr. and Mrs. Harry Perkins, Dr. and Mrs. C. C. Latham, Mrs. J. D. McKinney, Mr. and Mrs. A. L. Chytrus, Mr. and Mrs. Frank J. Kelley Jr., Mr. and Mrs. H. H. Fawcett, Mr. and Mrs. Ben H. Clark, and Mr. and Mrs. Clyde Bowman.

We knew she was gracious,
efficient, sincere —

And we found out she's also
a Bernhardt, my dear!

We heard it rumored —
quite by chance

This one can do a
Bubble Dance!

Her job was two-fold —
she had a "vice"

And she also saw that our
hall was nice!

This one is different
from all the rest —

When the meetings
adjourned - she does
her best!!

Be careful what your
words convey

For she records the things
you say!

If there's entertainment that
you'd like planned

This gal cando it - "to beat
the band"!

The answer to a Woman's
Club Prayer —

For raising cash, she's got a
flare!!

Her job would have me
"on the fence"

But all she needs is
"common cents"!

She takes an active interest
in our city everyday

But we can't take the credit—
she'd do it, anyway!

Things philanthropic — things
from the heart

Find this gal playing a
major part!

Our **MEMBERSHIP** member is no small pretender
She knows that she knows that her nose
For news of new member must be kind and tender.
So give her some "writes" for her press!

TIS SAID THAT THE WORD OF A LADY SHOULD BE LAST--
BUT HERE IS A TIME WHEN THE MEN HAVE THOUGHT FAST;
SO LEND US YOUR EARS AND GIVE US YOUR TIME,
WHILE OUR FRIEND TINY FAWCETT GIVES OUR THOUGHTS
OUT IN RHYME.

by Dr. J. P. Verneti

We're as big as our
Government of today

'Cause we also have an
Attache'!!

Who wrote our letters?
Sent our bids?

And kept a roster
of us kids??

for the choice fish
fills the net
with a tasty dish!*

Farewell To The Old Board

by

Mr. H. H. Fawcett

Come fellow hapless husbands
And join me in a cheer
We welcome back our erstwhile wives
Our wives of yesteryear

This gladsome party signifies
The Women's Club is through
That is, the current board is done--
The board of '52

As club women our wives
All do so much on every matter
Then phoneward rush and hour by hour
They giggle and they chatter

My hope is this:
That as my wife resumes her place at home
She won't get on a future board
Just let those jobs alone

To husbands there's no more to say
But this is what I think
If you feel somewhat like I do
Let's have a little drink

PRESIDENT'S GIFT

TREASURE HUNT

A silver bon bon dish
In it is what you wish
You'll find it two holes from
the floor
Right where you were, tish!
tish!

You're next stop is a place
where you can wash your face
Brown and yellow is the scheme
Second drawer from left, the
space!

A thing that tells the time
As dinner bells do chime
You'll have to look real closely
(I have run out of a rhyme!)

It keeps the "staff of life"
Intact and set for knife
Be sure you do not "nibble," tho'
T'would bring you naught but
strife!

The bane of your existence
It rings with such insistence!
You'll find it set up in the hall
It's really not much distance!

(Sing to tune of Farmer in the Dell)

A hunting you must go -
One hole up from below
Hi! Ho! What do you know?
A silver thing will show!

When procedures "tangled"
nerves wore thin

She knew the answers
so she stepped in!

ing the year, such as the above "red

CONVENTION PRAYER

Dear Heavenly Father, as we gather for this Fiftieth Southern District Convention bless us with your inspiration and guidance.

Help us to think and live our American idealism so that our words and actions may embody both good religion and good democracy.

Help us as clubwomen to spread the gospel of integrity, of honesty and decent humanity so that our Nation, founded on Christian virtues, may truly "Under God" not perish from the earth. May it serve as the bulwark of the Christian way of Life which has made our country strong in freedom, in courage, and in decency.

Help us as clubwomen to eradicate the wrongs, to appreciate the blessings, and to cherish and spread the creed of real Americanism which is so synonymous with good Christianity.

Give the leaders of our land the strength to withstand the forces of evil, give them the vision and wisdom to guide us once again into the paths of peace and righteousness, through the "Faith of our Fathers" help America to bring Unity to a troubled, unhappy world—we ask this humbly in Thy name.

Amen.

MRS. EDWIN F. BRYANT.

No. 354 Pilgrim Hymnal CONVENTION HYMN

O BEAUTIFUL, MY COUNTRY

"O Beautiful, my Country!"

Be thine a nobler care
Than all thy wealth of Commerce,
Thy harvest waving fair;
Be it thy pride to lift up
The manhood of the poor;
Be thou to the oppressed
Fair Freedom's open door!

For thee our Fathers suffered;
For thee they toiled and prayed
Upon thy holy altar
Their willing lives they laid
Thou hast no common birthright,
Grand mem'ries on thee shine,
The blood of pilgrim nations
Commingle flows in thine.

O Beautiful, our country!
Round thee in love we draw;
Thine is the grace of freedom,
The majesty of law.
Be righteousness thy scepter,
Justice thy diadem;
And on thy shining forehead
Be peace the crowning gem!

A Song of Southern District

From Imperial's fruited valley to Balboa's golden strand
Southern District stretches like an empire,

A mighty power in the land,
And the spirit of friendship enfolds us
Like the perfume of roses in Spring,
As shoulder to shoulder when friend meets friend

We lift up our voices and sing:

Chorus

We are banded together for union and for strength,
We march on together, the breadth and the length,
Of this fair land, the Southland, where skies are ever blue,
And we're singing, Southern District,
we're singing just for you.

The Star-Spangled Banner

Oh, say can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watched were so gallantly streaming.
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.

Chorus

O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave.
Oh, thus be it e'er when freemen shall stand
Between their loved home and the war's desolation.
Blest with victory and peace, may the heav'n-rescued land
Praise the power that hath made and preserved us a nation.
Then conquer we must, when our cause it is just, and this be our
motto:
"In God is our trust."

Glorious California

California, Thee we sing,
From our hearts thy praises spring,
Let the echoes wake and ring,
Glorious California

Beauteous land of heart's desire,
Sun is thy baptismal fire
Softly singing winds thy choir,
Glorious California.

Ours a goodly heritage,
Written on the fairest page,
Known to any race or age,
Glorious California.

Ours to cherish as we build,
Ours to thrill as they have thrilled
Land of promises fulfilled,
Glorious California.

Imperial County Song

Words by Mary Janet Jacobs
Music by Ruth Teeple Reid

La Palma de la mano del Dios
Secure in the Palm of God's Hand
Lies the great Imperial Valley
A fair and fruitful land.

Chorus

Oh Imperial, beautiful valley
Reclaimed from the desert's sand
La Palma de la mano del Dios
In the Hollow of God's Hand.

It is set like a gem in the desert
In a circle of gold and of blue,
In a circle of gold and of blue,
It gleams an emerald at noonday
At sunset with the rainbow's hue.
Giving promise of a better tomorrow
A future of growth and increase
Our homeland our Valley Imperial
With homes and with hearts at peace.

Orange County Song

Words by Ida D. Deakins
Music by Marion Wallace Miller

Set deep in the heart of the Westland
Is Orange County a jewel rare,
Mountains and hills guard your valleys
Where grow flowers that perfume the air,
We may leave you awhile and wander,
We may leave, but we'll always return
To this jewel in the heart of the golden west
Orange County's forever our home.

Chorus

Breezes from the sea caress thee,
Bringing peace, contentment and rest
God has given to you His blessing,
Loveliest homeland of the west.

Happiness dwells in your valleys,
In the homes beneath fruit tree and vine.
There singing hearts and gay laughter
Is your heritage rare and divine.
Other lands may call to us often,
Other lands may call us away,
But back to the land where our heart is
Orange County forever we'll stay.

San Diego County Song

Words by Lulu M. Williams
Music By Avis S. Porterfield

Banded in true fellowship
In this sunny land of ours,
With mountains, ocean breezes,
Romance and perfumed flowers,
Loyal to the cause we love,
Firm with one goal in mind,
Till achievements of our County
Stand a beacon to mankind.

Chorus

O, San Diego County,
We'll work for thy renown,
Shining like a gem resplendent
In Federation's crown.

San Bernardino County Song

San Bernardino Hail

Words by Beatrice P. Lee
Music by Ardis L. Plummer

San Bernardino
We salute thee,
County of our choice,
In the praise of all thy virtue,
Now lift heart and voice.
We, thy daughters, serve thee gladly
Vision shall not fail,
"Strength united makes us stronger"
San Bernardino, Hail.

Riverside County Song

(Tune—"My Bonnie")

By Mrs. Emerson Holt

Our County lies out near the desert
It reaches up into the hills
It's varied in beauty and merit,
Rich valleys, fruits, flowers brings thrills.

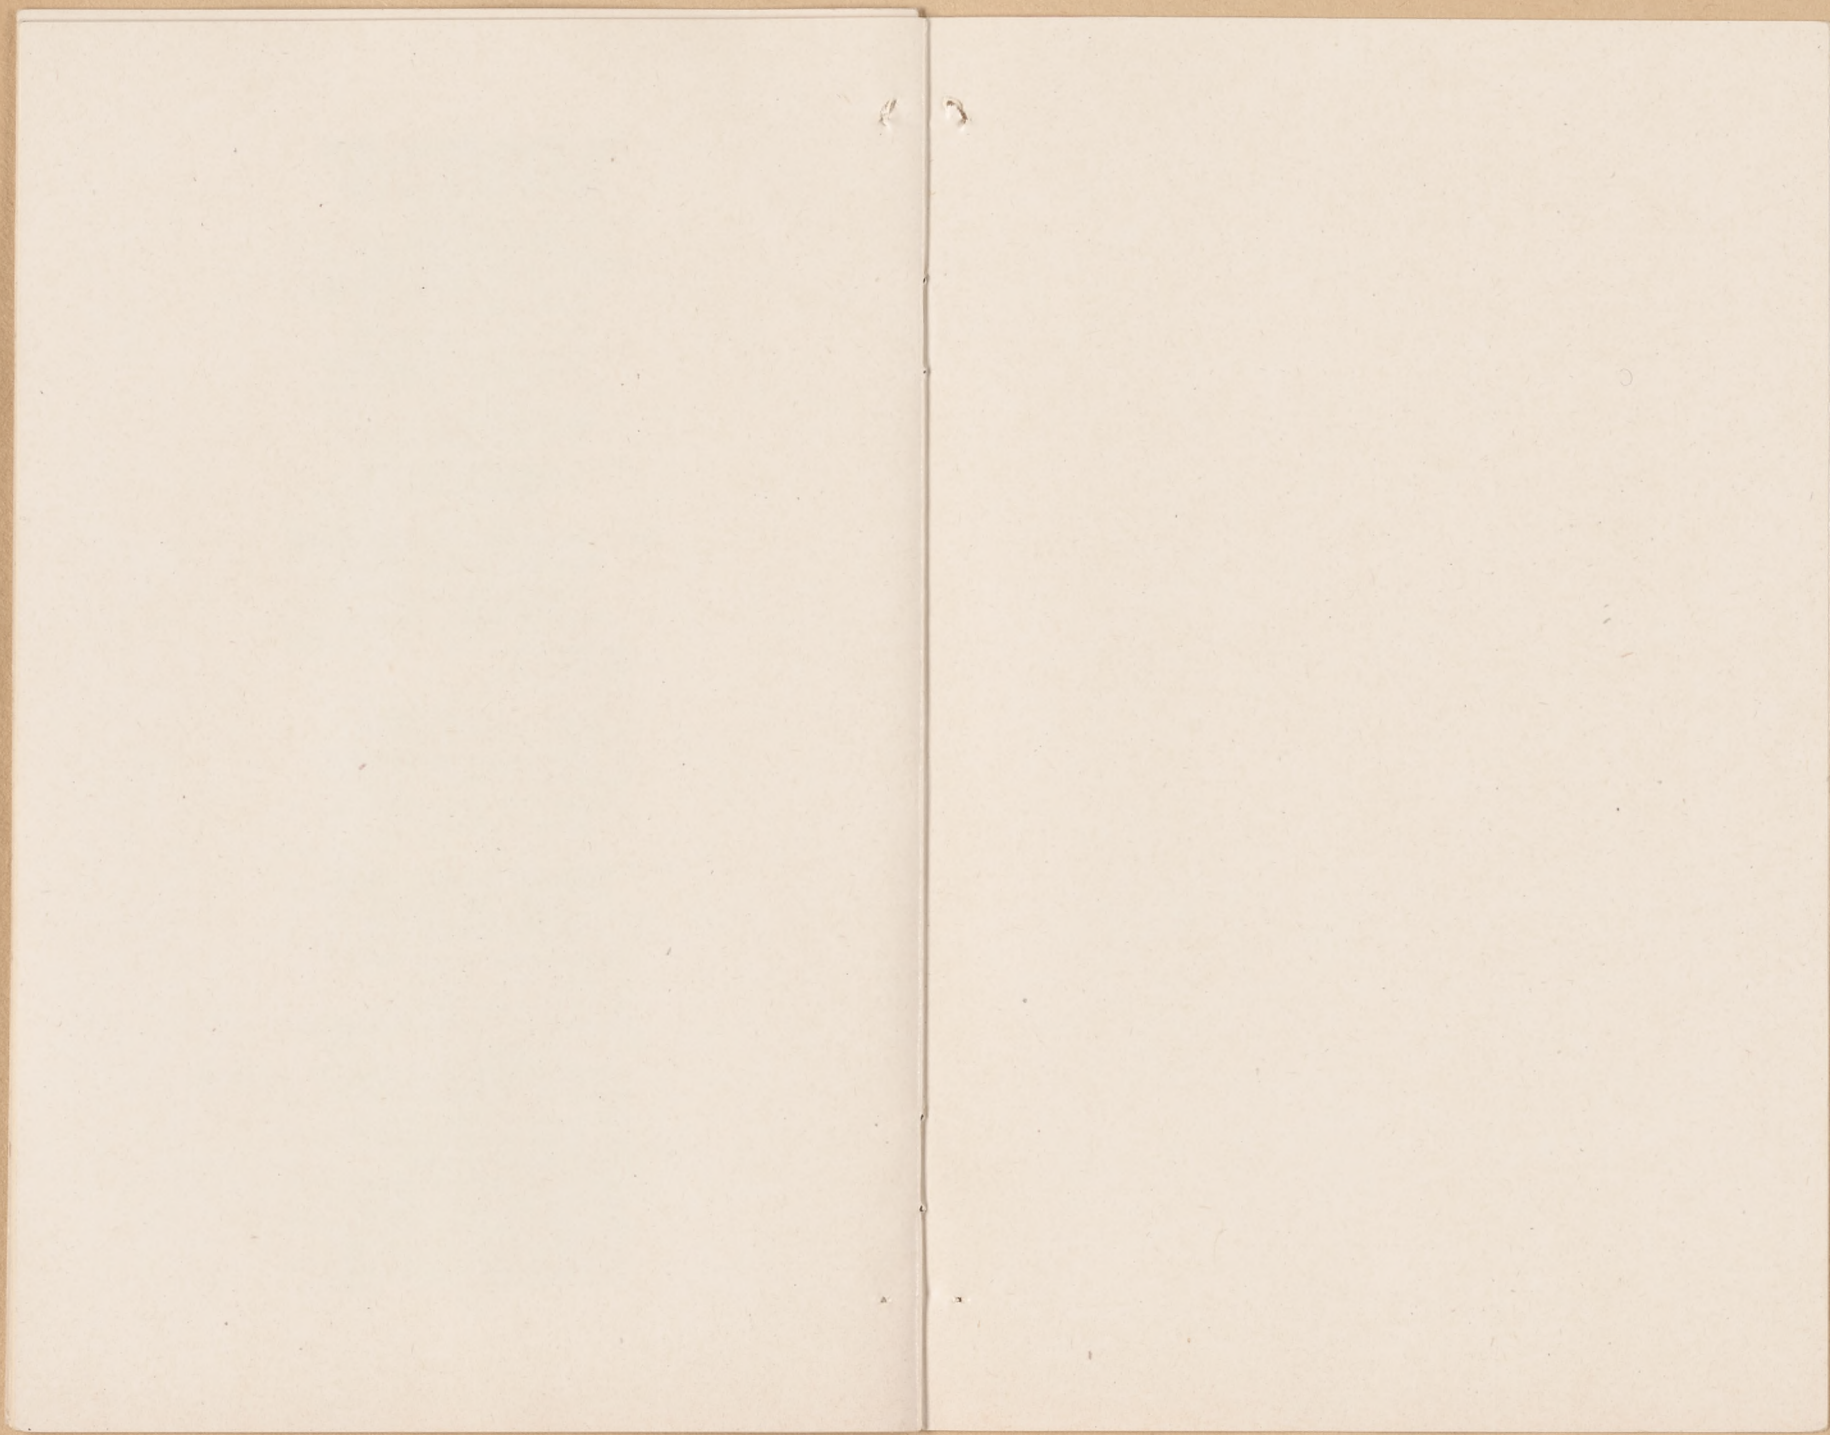

Chorus

Always, always, Riverside County for me, for me,
Always, always, Riverside County for me.
Our County is lovely to look on,
The County we call Riverside,
United for all Federation,
And all the departments beside,
We travel afar just to meet you,
But back to our County we come.
And here is the reason we do so,
It's a mighty fine place for a home.

Woman's Club makes great strides

1/1/53

Coronado Woman's Club, under the presidency of Mrs. Frank J. Kelley Jr., is continuing its founders' program of cultural philanthropic and civic projects. In the sixth year of its existence the club has evolved a civic and philanthropic program the community has come to depend upon. The basis of tradition through the endeavors of its past and present leaders has been established.

The club now owns a lot and aspires to having a clubhouse that will be of benefit to the community and will permit space for growth and the opportunity for a greater number of Coronado women to enjoy membership.

Outstanding section activities show growth and enterprise in the sections themselves. Book Section has expanded to an afternoon and an evening study group of world affairs and modern writing; Arts and Crafts is offering a painting class in addition to their professional instruction in other skills. Garden conducts a booth at the annual flower show and is now expertly advising individual members on landscaping problems in order to uphold Coro-

nado's reputation as being the "home of beautiful gardens";

Music Section presents talent at club functions, supplies student tickets to community concerts and supports Petersborough, N. H., Foundation Fund for students of all arts; Sewing continues for the third year its garment and Christmas stocking making for Red Cross gifts to Coronado children;

Speak Easy conducts parliamentary law classes for all club members as well as giving speech instruction to its own group.

Major committees of interest to the community are Civic Interest and Welfare, whose projects are supported by the club as a whole and aided by private and public parties which are planned and executed by Ways and Means. The Program Committee assists the Chamber of Commerce Christmas Pageant in carol singing.

Welfare projects, some of many years' standing, are being continued. They include assistance to Big Sister League; Coronado Child Health Revolving Fund, which lends money for medical

and dental care; Zia Indian Christmas gifts and school library maintenance; Glorietta and elementary schools clothing closets for emergency garments; Christmas Seal self-seller distribution; scholarship fund which was made available to a nurse; sponsorship of Girl Scout Troop 599; Red Cross surgical dressing assistance, and, for the second year, a major gift to Coronado Hospital.

Civic Interest committee regularly supplies judges and assists financially with the Halloween festival. It responds to calls from the city recreation department for instructors, transportation and Easter egg hunt management. It assists Fourth of July Carnival in conjunction with ways and means. This committee sponsors Girl Scout Troop 1 and supplies campships to Girl Scouts and Camp Fire Girls. The school ground beautification program, Christmas gift wrapping at North Island, assistance to the Coronado Floral Association planning group, polio porch light drive, cancer drive, enlistment of workers for Red Cross and Community Chest

drives as well as sending a representative to all Chamber of Commerce and city planning commission meetings, are projects of this committee.

The many activities and talents of individual members promote friendship and dovetail into a unit plan the members hope will continue to be of benefit to each other and to the entire community.

Officers are: Mrs. Frank J. Kelley Jr., president; Mrs. Luther Kennett, first vice president; Mrs. Thomas D. Guinn, second vice president; Mrs. Charles Allen, recording secretary; Mrs. Flora A. A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness: let us be large
in thought, in word, in deed.

Let us be done with fault-finding and leave off
self-seeking.

May we put away all pretense and meet each
other face to face, without self-pity and
without prejudice.

May we never be hasty in judgment and always
generous.

Let us take time for all things; make us grow
calm, serene, gentle.

Teach us to put into action our better impulses,
straightforward and unafraid.

Grant that we may realize that it is the little
things that create differences; that in the
big things of life we are as one.

And may we strive to touch and know the great
common woman's heart of us all, and O
Lord God, let us not forget to be kind.

—MARY STEWART.

PAST PRESIDENTS

Mrs. Merle R. Francis	1947-1949
Mrs. William R. Nichols	1949-1950
Mrs. Walter C. Stitt	1950-1952

SUMMARY OF THE FIRST FIVE YEARS

The Coronado Woman's Club, proposed by Mrs. Merle R. Francis, held the first meeting on March 5, 1947. Present were 64 Charter members including the 10 Founders:

Mrs. Merle R. Francis, Mrs. C. T. Anderson, Mrs. E. T. Anderson, Mrs. R. A. Bradt, Mrs. Merrill H. Duncan, Mrs. C. C. Latham, Mrs. Lyman H. Latham, Mrs. H. L. Rose, Mrs. Hugh Rush, and Mrs. Martin Wicarius.

The Club was Federated in 1947 and Incorporated in 1948. At the end of the first year there were 104 members. Five Sections were formed. At present there are 147 members and six active Sections: Arts and Crafts, Book, Garden, Music, Sewing, and Speak-Easy.

Throughout the years, sums raised at social activities and food sales, etc., were used for benevolence and philanthropy, and for the purchase of real and personal property. The size of the Club was restricted because of lack of an adequate meeting place. The purchase of a building site in July, 1951 was a step toward a suitable Woman's Club House.

Along with many cultural interests, the list of activities was wide and varied, among them being, aid to youth and charitable organizations, National and Community "Drives," the local Hospital, a Nurse's Scholarship, the landscaping of civic property, and a respected voice in civic affairs. All these and more provide a fertile field for the future.

Woman's Club makes great strides

1/1/53

Coronado Woman's Club, under the presidency of Mrs. Frank J. Kelley Jr., is continuing its founders' program of cultural philanthropic and civic projects. In the sixth year of its existence the club has evolved a civic and philanthropic program the community has come to depend upon. The basis of tradition through the endeavors of its past and present leaders has been established.

The club now owns a lot and aspires to having a clubhouse that will be of benefit to the community and will permit space for growth and the opportunity for a greater number of Coronado women to enjoy membership.

Outstanding section activities show growth and enterprise in the sections themselves. Book Section has expanded to an afternoon and an evening study group of world affairs and modern writing; Arts and Crafts is offering a painting class in addition to their professional instruction in other skills; Garden conducts a booth at the annual flower show and is now expertly advising individual members on landscaping problems in order to uphold Coro-

nado's reputation as being the "home of beautiful gardens";

Music Section presents talent at club functions, supplies student tickets to community concerts and supports Petersborough, N. H., Foundation Fund for students of all arts; Sewing continues for the third year its garment and Christmas stocking making for Red Cross gifts to Coronado children; Speak Easy conducts parliamentary law classes for all club members as well as giving speech instruction to its own group.

Major committees of interest to the community are Civic Interest and Welfare, whose projects are supported by the club as a whole and aided by private and public parties which are planned and executed by Ways and Means. The Program Committee assists the Chamber of Commerce Christmas Pageant in carol singing.

Welfare projects, some of many years' standing, are being continued. They include assistance to Big Sister League; Coronado Child Health Revolving Fund, which lends money for medical

and dental care; Zia Indian Christmas gifts and school library maintenance; Glorietta and elementary schools clothing closets for emergency garments; Christmas Seal self-seller distribution; scholarship fund which was made available to a nurse; sponsorship of Girl Scout Troop 599; Red Cross surgical dressing assistance, and, for the second year, a major gift to Coronado Hospital.

Civic Interest committee regularly supplies judges and assists financially with the Halloween festival. It responds to calls from the city recreation department for instructors, transportation and Easter egg hunt management. It assists Fourth of July Carnival in conjunction with ways and means. This committee sponsors Girl Scout Troop 1 and supplies campships to Girl Scouts and Camp Fire Girls. The school ground beautification program, Christmas gift wrapping at North Island, assistance to the Coronado Floral Association planning group, porch light drive, cancer drive, enlistment of workers for Red Cross and Community Chest

drives as well as sending a representative to all Chamber of Commerce and city planning commission meetings, are projects of this committee.

The many activities and talents of individual members promote friendship and dovetail into a unit plan the members hope will continue to be of benefit to each other and to the entire community.

Coronado Woman's Club, under the presidency of Mrs. Frank J. Kelley Jr., is continuing its founders' program of cultural philanthropic and civic projects. In the sixth year of its existence the club has evolved a civic and philanthropic program the community has come to depend upon. Outstanding section activities show growth and enterprise in the sections themselves. Book Section has expanded to an afternoon and an evening study group of world affairs and modern writing; Arts and Crafts is offering a painting class in addition to their professional instruction in other skills; Garden conducts a booth at the annual flower show and is now expertly advising individual members on landscaping problems in order to uphold Coro-

nado's reputation as being the "home of beautiful gardens";

Music Section presents talent at club functions, supplies student tickets to community concerts and supports Petersborough, N. H., Foundation Fund for students of all arts; Sewing continues for the third year its garment and Christmas stocking making for Red Cross gifts to Coronado children; Speak Easy conducts parliamentary law classes for all club members as well as giving speech instruction to its own group.

Woman's Club makes great strides

1/1/53

Coronado Woman's Club, under the presidency of Mrs. Frank J. Kelley Jr., is continuing its founders' program of cultural philanthropic and civic projects. In the sixth year of its existence the club has evolved a civic and philanthropic program the community has come to depend upon. The basis of tradition through the endeavors of its past and present leaders has been established.

The club now owns a lot and aspires to having a clubhouse that will be of benefit to the community and will permit space for growth and the opportunity for a greater number of Coronado women to enjoy membership.

Outstanding section activities show growth and enterprise in the sections themselves. Book Section has expanded to an afternoon and an evening study group of world affairs and modern writing; Arts and Crafts is offering a painting class in addition to their professional instruction in other skills; Garden conducts a booth at the annual flower show and is now expertly advising individual members on landscaping problems in order to uphold Coro-

nado's reputation as being the "home of beautiful gardens";

Music Section presents talent at club functions, supplies student tickets to community concerts and supports Petersborough, N. H., Foundation Fund for students of all arts; Sewing continues for the third year its garment and Christmas stocking making for Red Cross gifts to Coronado children; Speak Easy conducts parliamentary law classes for all club members as well as giving speech instruction to its own group.

Major committees of interest to the community are Civic Interest and Welfare, whose projects are supported by the club as a whole and aided by private and public parties which are planned and executed by Ways and Means. The Program Committee assists the Chamber of Commerce Christmas Pageant in carol singing.

Welfare projects, some of many years' standing, are being continued. They include assistance to Big Sister League; Coronado Child Health Revolving Fund, which lends money for medical

and dental care; Zia Indian Christmas gifts and school library maintenance; Glorietta and elementary schools clothing closets for emergency garments; Christmas Seal self-seller distribution; scholarship fund which was made available to a nurse; sponsorship of Girl Scout Troop 599; Red Cross surgical dressing assistance, and, for the second year, a major gift to Coronado Hospital.

Civic Interest committee regularly supplies judges and assists financially with the Halloween festival. It responds to calls from the city recreation department for instructors, transportation and Easter egg hunt management. It assists Fourth of July Carnival in conjunction with ways and means. This committee sponsors Girl Scout Troop 1 and supplies campships to Girl Scouts and Camp Fire Girls. The school ground beautification program, Christmas gift wrapping at North Island, assistance to the Coronado Floral Association planning group, polio porch light drive, cancer drive, enlistment of workers for Red Cross and Community Chest

drives as well as sending a representative to all Chamber of Commerce and city planning commission meetings, are projects of this committee.

The many activities and talents of individual members promote friendship and dovetail into a unit plan the members hope will continue to be of benefit to each other and to the entire community.

Officers are: Mrs. Frank J. Kelley Jr., president; Mrs. Luther Kennett, first vice president; Mrs. Thomas D. Guinn, second vice president; Mrs. Charles Allen, recording secretary; Mrs. Flora A. MRS. KELLY HEADS CLUB AT CORONADO

Mrs. Frank J. Kelley Jr. was elected president of Coronado Woman's Club yesterday and with other new officers will be installed June 6. She will succeed Mrs. Walter C. Stitt. Mrs. Luther Kennett is incoming first vice president, Mrs. Thomas D. Guinn, second vice president; Mrs. Flora A. Wilkinson, corresponding secretary; Mrs. Charles Allen, recording secretary, and Mrs. Martin Wicarius, treasurer.

Woman's Club makes great strides

Coronado Woman's Club, under the presidency of Mrs. Frank J. Kelley Jr., is continuing its founders' program of cultural philanthropic and civic projects. In the sixth year of its existence the club has evolved a civic and philanthropic program the community has come to depend upon. The basis of tradition through the endeavors of its past and present leaders has been established. The club now owns a lot and aspires to having a clubhouse that will be of benefit to the community and will permit space for growth and the opportunity for a greater number of Coronado women to enjoy membership. Outstanding section activities show growth and enterprise in the sections themselves. Book Section has expanded to an afternoon and an evening study group of world affairs and modern writing; Arts and Crafts is offering a painting class in addition to their professional instruction in other skills; Garden conducts a booth at the annual flower show and is now expertly advising individual members on landscaping problems in order to uphold Coro-

nado's reputation as being the "home of beautiful gardens"; Music Section presents talent at club functions, supplies student tickets to community concerts and supports Petersborough, N. H., Foundation Fund for students of all arts; Sewing continues for the third year its garment and Christmas stocking making for Red Cross gifts to Coronado children; Speak Easy conducts parliamentary law classes for all club members as well as giving speech instruction to its own group. Major committees of interest to the community are Civic Interest and Welfare, whose projects are supported by the club as a whole and aided by private and public parties which are planned and executed by Ways and Means. The Program Committee assists the Chamber of Commerce Christmas Pageant in carol singing. Welfare projects, some of many years' standing, are being continued. They include assistance to Big Sister League; Coronado Child Health Revolving Fund, which lends money for medical

and dental care; Zia Indian Christmas gifts and school library maintenance; Glorietta and elementary schools clothing closets for emergency garments; Christmas Seal self-seller distribution; scholarship fund which was made available to a nurse; sponsorship of Girl Scout Troop 599; Red Cross surgical dressing assistance, and, for the second year, a major gift to Coronado Hospital. Civic Interest committee regularly supplies judges and assists financially with the Halloween festival. It responds to calls from the city recreation department for instructors, transportation and Easter egg hunt management. It assists Fourth of July Carnival in conjunction with ways and means. This committee sponsors Girl Scout Troop 1 and supplies campships to Girl Scouts and Camp Fire Girls. The school ground beautification program, Christmas gift wrapping at North Island, assistance to the Coronado Floral Association planning group, polio porch light drive, cancer drive, enlistment of workers for Red Cross and Community Chest

drives as well as sending a representative to all Chamber of Commerce and city planning commission meetings, are projects of this committee. The many activities and talents of individual members promote friendship and dovetail into a unit plan the members hope will continue to be of benefit to each other and to the entire community. Officers are: Mrs. Frank J. Kelley Jr., president; Mrs. Luther Kennett, first vice president; Mrs. Thomas D. Guinn, second vice president; Mrs. Charles Allen, recording secretary; Mrs. Flora A. SAN DIEGO COUNTY SONG

Words by the Late Lulu M. Williams

Music by Avis S. Porterfield

Banded in true fellowship
In this sunny land of ours,
With mountains, ocean breezes,
Romance and perfumed flowers.
Loyal to the cause we love,
Firm with one goal in mind,
Till achievements of our County
Stand as a beacon to mankind.

O, San Diego County
We'll work for thy renown
Shining like a gem resplendent
In Federation's Crown.

SAFETY CAMPAIGN LAUNCHED

San Diego has a wonderful climate to live in and now the people of this community have voiced their intention to live - as long as they can - in San Diego. Hundreds of representative citizens and public officials attending an all-day Traffic Safety Conference last week said traffic fatalities must be stopped in the cities and out on the highways of the county.

Every phase of traffic safety was considered. Recommendations were made as to what should be done, and the organization of a citizens' safety committee to make sure something is done was authorized.

O. W. Todd, Jr., long a prominent civic leader, was named chairman of a steering committee to create a permanent citizens committee. Mr. Todd's committee is at work now and will meet with the aim of organizing a permanent safety committee as soon as possible in order that practicable recommendations at last week's conference may be carried out with the least delay.

Of the many recommendations, some can be put into effect almost immediately, others will take time and still others both time and money. Again, recommendations frequently involve a question of public acceptance and in some cases might prove inapplicable. All will be carefully considered, analyzed and weighed.

A summary of the findings and recommendations of the conference is being prepared by the City Manager's office and will be available to those who request it. All who registered at the conference last week will be mailed a copy.

Public acceptance is the key to traffic safety. That was the consensus of the meeting. Almost everyone favors traffic safety. A good majority favor laws and other measures to control reckless drivers and also are agreeable to taxing themselves, if necessary, to eliminate traffic hazards. But the law of self-preservation is the law most frequently violated by those involved in traffic fatalities and it is that law which is most difficult to enforce, because only the individual concerned can enforce it.

WOMAN'S CLUB SETS UP SAFETY ESSAY CONTEST

Coronado Woman's Club is following through on its decision to back the county-wide traffic safety program by authorizing its civic interest committee, headed by Mrs. A. L. Chytrus, to sponsor a survey committee under Mrs. J. P. Darnell and Mrs. S. A. Manchester and a school projects committee under Mrs. Walter C. Stitt.

Mrs. Stitt's committee, which includes Mmes. C. T. Anderson, J. G. Caterina, Rudolph Leer, R. H. Rice and H. L. Rose, will endeavor to interest school children of all ages in traffic safety awareness by essay, poster and slogan contests. The contest will open April 6 and close May 15.

Essays will be submitted by high school students only on "Driver Awareness of Individual Responsibility" under the supervision of the school committee, consisting of Miss Mae Walker, Mrs. K. C. Fredericks, Mrs. H. C. Herbert, Mrs. Wilfrid Seaman and Paul Berry.

Judges for essays on "Driver Awareness" will be Mayor Lloyd Harmon, Chief of Police Robert H. Manchester and Coronado City Judge E. S. Wattawa.

Judges for "Pedestrian Awareness" will be chairman of recreation commission C. H. Soderbery, president of Chamber of Commerce John Weston and president of Realty Board Commodore C. C. Baughman.

All grades and all schools will participate in making posters and writing slogans, also under supervision of the school committee. The subject will be the same as for essays.

Judges of posters will be from Coronado Arts Association with Mrs. Rose in charge. Judges of slogans will be in charge of Coronado Woman's Club public relations committee, Mrs. J. D. McKinney, chairman.

The Woman's Club will present government bonds to winners of the essay contest and will arrange to have the essays read before service clubs and published in the Coronado Journal along with

winners' pictures.

Winners of the poster contest in the four division of primary, elementary, junior and senior high schools will receive specially selected books as prizes from the Woman's Club. Top posters will be placed in four locations and changed weekly with student's name, grade and photo accompanying his poster.

Selected slogans will be published weekly in the Journal and monthly in the club bulletin with credit to the originator.

By this inclusive school contest with recognition to participants and the cooperations of the schools and school board, the Coronado Woman's Club hopes to begin a long-lived interest with far-reaching results in saving lives and reducing the number of injuries from traffic mishaps.

Woman's Club Launches Traffic Safety Program to Aid Children

Children of Coronado may help save precious lives—their own.

Children are key objectives and also key workers in the Crown City movement of the current county-wide traffic safety program, being spearheaded by members of the Coronado Woman's Club.

Principals of every school in the city have given whole-hearted sanction to a contest proposed by the club whereby students of all grades may project their ideas for safety through essays, posters and slogans, which will be displayed prominently. All winners will be suitably recognized.

By working through the child to reach the parent, the Woman's Club hopes to cover the campaign from every angle—the man in the street, the man behind the wheels,

the teen-ager, and the small fry.

Teaching awareness of individual responsibility will reduce traffic fatalities. Club members pledged this responsibility at a recent meeting and hope that other clubs and organizations will join in the crusade.

Mrs. Frank J. Kelley Jr., club president, presented initial ideas for the campaign, now under the chairmanship of Mrs. A. L. Chytrus, civic interest committee chairman.

Mrs. Walter C. Stitt heads the poster and essay contest in the schools. Mrs. J. P. Darnell is in charge of the investigating committee. Mrs. S. A. Manchester Jr. is chairman of the adult aspect for improvement.

Coronado Club Seeks Children Safety Aid

Coronado Woman's Club members, now carrying on an active traffic safety campaign, believe that Coronado school children can make an important contribution to such a campaign. Because children, when they are aware of a problem, often prod lethargic elders into action.

To interest Coronado school youngsters in the campaign, the club will conduct an essay, poster and slogan contest. The contest opens Monday, continues through May 15, and will be directed by the school projects committee of the club's civic interest committee. Mrs. A. L.

Chytrus is civic interest chairman and Mrs. Walter C. Stitt is school projects director, assisted by Mmes. C. T. Anderson, J. G. Caterina, R. Leer Jr., R. H. Rice and H. L. Rose.

Essays on "Driver Awareness of Individual Responsibility of Traffic Safety" and "Pedestrian Awareness of Individual Responsibility of Traffic Safety," will be written by high school students. Supervising the essays will be Mrs. K. C. Fredericks, Mrs. H. C. Herbert, Miss Mae Walker, Wilfrid Seaman, and Paul Berry.

The club will present government bonds to essay winners. Judges will be Mayor Lloyd Harmon, Police Chief Robert H. Manchester, City Judge E. S. Wattawa, Commission Chairman C. H. Soderbery, John Watson, Chamber of Commerce president, and C. C. Baughman, president of the Realty Board.

All students may enter the poster competition, with the school committee again to have entire supervision. Winners of the poster contest in primary, elementary, junior high and senior high schools each will receive a book. The winning posters also will be displayed and will be judged by the Coronado Art Association, under the chairmanship of Mrs. H. L. Rose.

The public relations committee of the club will supervise the slogan project, which students of all grades also may enter. Awards are to be determined by the school committee.

Coronado Woman's Club To Present Safety Awards

Memorial Day, the biggest accident day of every year, has been selected by Coronado Woman's Club as the date for the awards program culminating its current drive to promote individual responsibility in traffic safety. The program will take place in the garden beside the police station on Orange Avenue.

Awards will be presented to 117 students from all Coronado Schools, winners in recent essay, poster and slogan contests on traffic safety. Presenting the government bonds, books and merit certificates will be club president, Mrs. Frank J. Kelley, Jr.; Police chief Robert Manchester and Mayor Lloyd Harmon, who has proclaimed the day traffic safety day in Coronado.

The public is invited to attend

the ceremonies, following which posters and slogans will be on display in the kindergarten building at Sixth and D Ave. Later they will be exhibited in the police station entry. Winning essays will be read June 3 at Coronado Woman's Club and Rotary Club, two winning posters and slogans also to be displayed at each club.

Three winners of slogan first awards in the traffic safety contests conducted by Coronado Woman's Club for Coronado school children, left to right, Barbara Bollinger, Mary Louise Halton and Marion Smith, illustrate how not to step off a curb—Barbara and Marion curbing arm-waving Mary Louise.

"Be Your Own Policeman!" the poster awards, first prize winners being first grader, Barbara Jean Buettner; fourth grader; Leo Hansen; fifth grader, Patricia Herbig; seventh grader, Pat McLeod and Jack Warlick of the high school.

Enthusiasm in the program was stimulated by co-operation of members of Coronado organizations including the city council, court, recreation commission, police, school board, school faculties, chamber of commerce, realty board, Coronado Art Association, 20-30 Club and Rotary Club.

The promise of long-lived interest in "safety awareness" resulted from the response to this campaign.

Ceremonies were held Memorial Day in garden of the police station, with Robert Manchester, police chief, handing out the awards. To choose the winners literally hundreds of posters, slogans and essays were considered. Smartly uniformed junior traffic patrolmen stood at attention as prize winners were called.

Mrs. Frank J. Kelley Jr., club president, presented essay awards to high school students. Marlene Goodale received first prize in "Pedestrian Awareness" and Bob Beck first in "Driver Awareness."

'Bicycle Safety Week' Stressed By Harbison Elementary P.-T.A.

By EMILY STOKER
Club Editor

Traffic safety means bicycle safety, too, and this important but too little stressed phase of the cut-down-on-accidents program has enthusiastic support this week of both parents and pupils of Ira Harbison Elementary School, National City.

Sponsored by the Harbison P.T.A. unit, "Bicycle Safety Week" now is being observed at the school and will be climaxed Friday when Police Chief Harry D. Smith, of National City, will supervise road tests for each pupil's bicycle. Bicycle licenses will be sold at the school that morning after the road tests.

LEAGUE CARD

Children successfully passing their tests and whose bicycles are in good mechanical condition will receive a Safety League Membership card and a decal for his or her bicycle. Floyd Emde, safety chairman of the Optimists Club, is donating \$5 for ribbons to be given as prizes. The general club membership also has donated safety lights for bicycles.

Monte Hall will give a safety talk that afternoon at 2 at the school, with all parents invited to listen in. Announcement

also will be made of winners of a poster and jingle contest. The poster contest started yesterday and jingle writers submit their entries today.

WRITTEN TEST

Tomorrow, a written test on safety will be given each child and safety talks will be heard in each room.

Contest finalists will be selected by Judge Ira Harbison, for whom the school is named; Mayor Maurice Carrigan, of National City, and Monte Hall.

Mrs. L. A. Moore Jr. is chairman of the sponsoring P.T.A.'s safety committee, with Mrs. Floyd Emde and Mrs. William Schultz as her assistants. Also active in the campaign are Ralph Finnerty, school principal; Mrs. Wells Hedlun, P.T.A. unit president, and Mrs. Robert Bailey, unit vice president.

Coronado 'Day'

Coronado Woman's Club, which is concluding an intensive traffic safety campaign in the transbay community, will climax the drive with public ceremonies on one of the nation's worst accident days—Memorial Day. The services, which will be marked by presentation of 117 awards to poster, slogan and essay winners, will begin Saturday at 10 a.m., and will be in the garden area between the police station and Orange Ave.

Coronado Mayor Lloyd Harmon has designated Saturday Traffic Safety Day at the club's request and will attend the cam-

paign windup program. With club president, Mrs. Frank J. Kelley Jr., and Police Chief Robert Manchester, Mayor Harmon will present bonds, books and certificates to winning students.

ARTS AND CRAFT SECTION

Coronado Womens Club

This section meets the second and fourth Tuesday of each month. The second Tuesday we meet at homes of members and fourth Tuesdays at the home of Mrs. Webb. Each member brings her own sandwich and the hostess serves tea and coffee.

All Fall members worked on copper, leather, block printing, stenciling and etching on glass. Most articles were for Christmas presents.

At the first meeting in October Mrs. Kelley visited the class. She said she was very anxious to have a class in drawing and painting. Could we do something about it.

After much talking and telephoning we had our first drawing lesson the second Tuesday in January. Charcoal was the medium. Mrs. Carl Smith is our teacher. At the first lesson we had a still life study. All the Craft workers with three other interested women, Mrs. Kelley, Mrs. Weller and Mrs. Rule, made up the first class--twelve in all. Mrs. Rule and Mrs. Weller turned out the best drawings that day, really remarkably good.

Mrs. Weller and Mrs. Kelly were too busy this year to attend regular classes but Mrs. Rule has become our star pupil. Mrs. Stanley does very well too.

Most of the women decided they preferred craft work--some liked craft one day and drawing another and one member said she decidedly doesn't like charcoal.

We had a hard time finding a plaster cast for a model--a head, foot, hand, anything--finally Mrs. Smith found a model wearing a hat, down in Mrs. Hunt's window. So now we have a complete Coronado unit.

In February we spent one day making place cards for the Birthday luncheon as part of our contribution to the club. We also gave a check to the building fund. We earn money by raffling an article brought by members for 25 cents--by paying 10 cents for a recipe--and by \$1.00 dues per year.

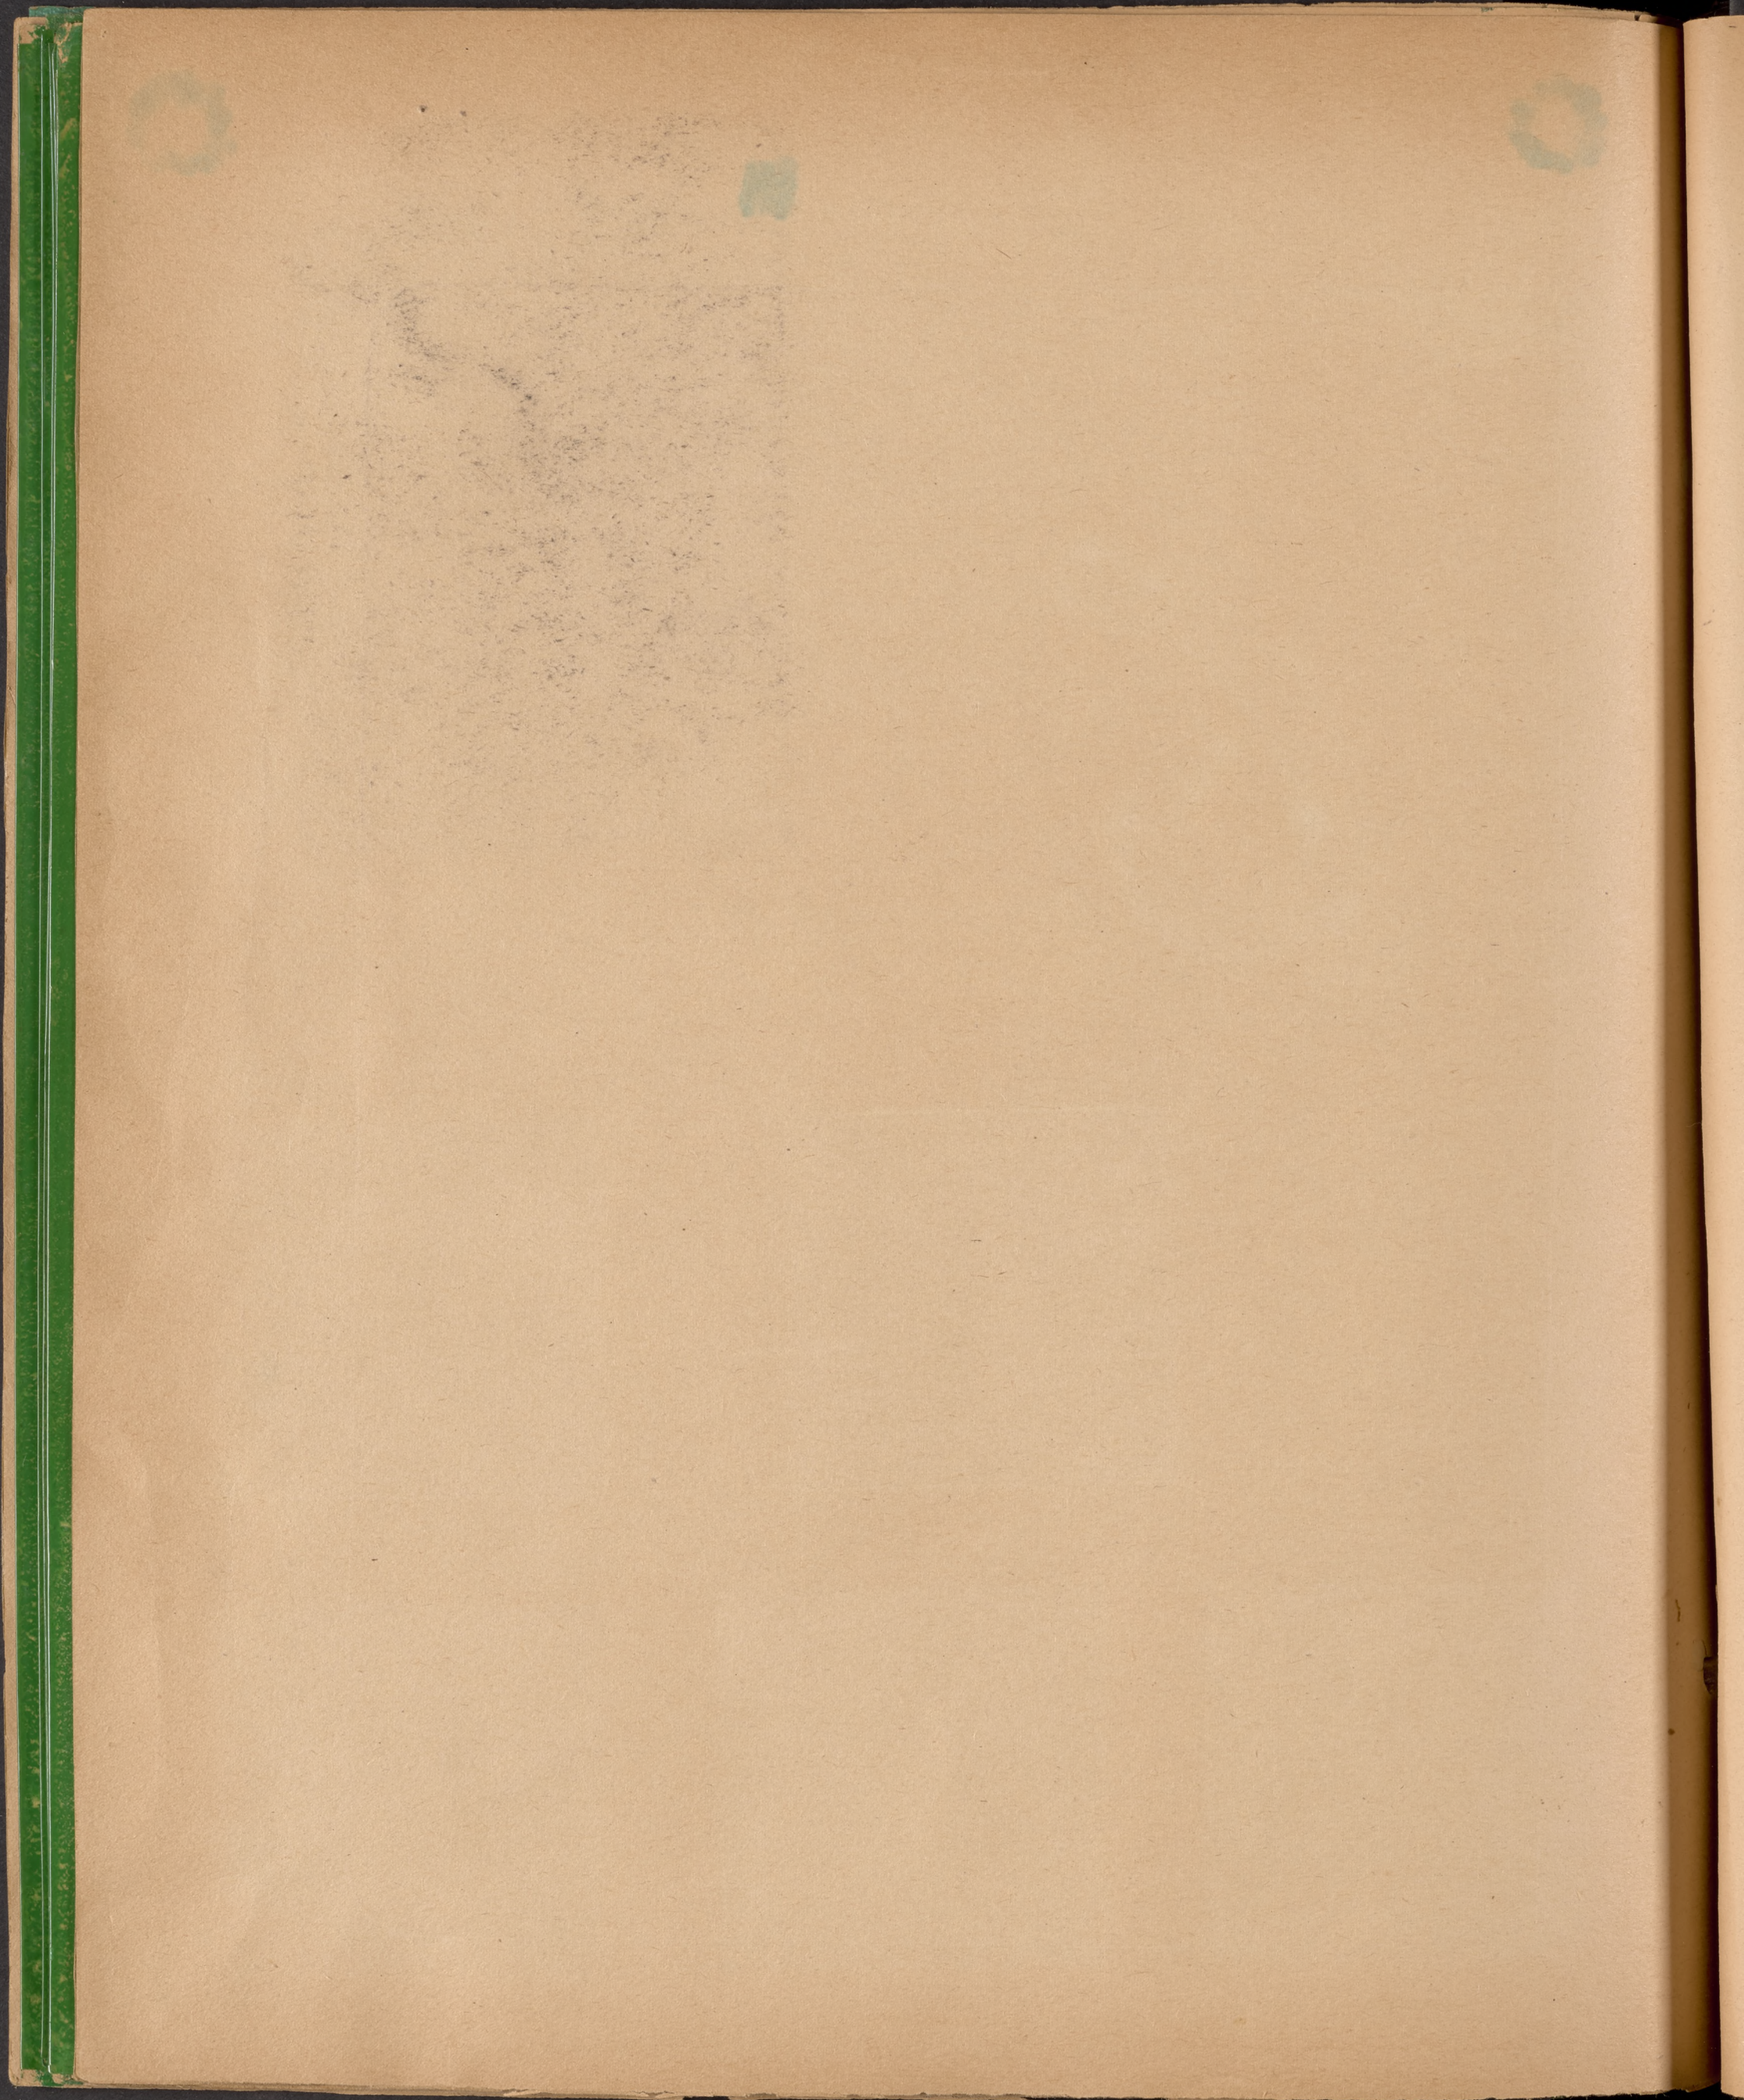

On April 28th we had a sketching class in Mrs. Rule's garden in the morning. In the afternoon we marked articles for our White Elephant table at the May Day party.

The sketches showed marked improvement over the first ones in January.

At the March meeting we decided to continue working through June and to start work in September instead of October, giving more time for Christmas presents and cards. Officers for 1953-54 are Mrs. L. E. Cridge--chairman-- Mrs. Arthur Seavey, Co-chairman-- Mrs. Benjamin Shoemaker, Secretary Treasurer.

Coronado Women Plan Christmas Philanthropy

By MICHELE MILLER REGAL

Every woman's club plays Santa Claus to someone during the Christmas season. Coronado Woman's Club will make it a happier Yule for Zia Indian School children, presenting books for the school library and gifts to be contributed by Girl Scout Troop 599. The girls will take presents to the club meeting Dec. 3, 1:30 p.m., in Christ Episcopal Church Parish House.

A glittering tree will highlight an elaborate creche lent by Mrs. Leslie Cridge, chairman of the arts and crafts section.

The program will feature a talk on old fashioned gardens and garden philosophy by Mrs. Frederick Bauersfeld, Mirandy of radio and television fame. Mrs. Raymond Deewall will present the speaker. Mrs. W. E. Dornbach will lead in the pledge and collect.

CHRISTMAS THEME TO PREVAIL DEC. 3 AT CORONADO WOMAN'S CLUB MEETING

Christmas will be the prevailing theme at the December 3 meeting of the Coronado Woman's Club at 1:30 p.m. in the Christ Church parish house. Leading the pledge and collect will be Mrs. W. E. Dornbach. Gifts for Zia Indian School children will be received at the door by members of Girl Scout Troop 599 under the direction of Mrs. Ernest Swanson, welfare chairman.

For the fourth successive year the gifts will include books for the school library, which the club founded and continues to support. A decorated tree and an elaborate creche, loaned by Mrs. Leslie Cridge, will add to the season's spirit.

"No Cradle Was There and No Fire" by Liza Lehmann, and "Ukrainian Carol of the Bells" by M. Leontovich will be sung by Mmes. Mark Vilim, R. A. Bradt, Martin Wicarius, Raymond Deewall, J. P. Darnell, P. H. Morton, T. D. Guinn and W. R. Nichols, accompanied by Mrs. N. W. Campanole. This will be followed by assembly singing of familiar carols.

Preceding the music, Mrs. Frederick Brauersfeld, well known on radio and television as "Mirandy," will speak on "Old Fashioned Gardens and Garden Philosophy."

She will be introduced by Mrs. Raymond Deewall.

Final plans for a buffet dinner to be given December 11 at 6 p.m. at Coronado Yacht Club will be discussed by Mrs. R. L. Hathaway, ways and means chairman. Mrs. H. L. Rose, dinner chairman, and Mrs. Hathaway will receive reservations from members for families and guests until December 6.

Christmas punch will be served by Mmes. Merle Francis, Nichols, Walter C. Stitt, and C. C. Baughman. Mrs. Ennalls Waggaman, chairman of the social hour, will be assisted by Mmes. William T. Booth, W. W. Crosby, N. W. Campanole, Earl H. Pope, Frank T. Sloat, David G. Shine, John S. Roberts, James A. Woodruff, Roberts Thomasson and John Abbott.

We cannot hope to absorb an atomic attack and fight back if we do not have an adequate civil defense program.

Mrs. Boileau New President of Woman's Club

Coronado Woman's Club will end its club year with installation of officers and directors and a musical program Wednesday, June 3 at 1:30 p.m. in Christ Episcopal Church Parish House. A piano solo by Marion Meyers and violin selections by Mrs. Hugh Hadley accompanied by Mrs. Harold Q. Driscoll will be presented by Mrs. J. T. Talbert, program chairman. Mrs. Walter C. Stitt will

lead in the pledge and collect.

Installation ceremonies will be conducted by Mrs. Merle Francis, club founder. Mrs. Frank J. Kelley, Jr., retiring president will hand the gavel to Mrs. A. R. Boileau, newly elected president.

Awards to Coronado Woman's Club by San Diego County Federation will be on display. They were presented because of the club's participation in safety, Indian affairs, defense and economic

security, and nurse's scholarship.

Mrs. C. C. Baughman and Mrs. C. Reid Johnson, chairman of the tea hour, will be assisted by Mmes. H. H. Fawcett, H. G. S. Wallace, Lewis Coxe, Ennalls Waggaman, Walter C. Stitt, G. Hoyme, Meyer Wiener, Mark Vilim, Harry Perkins, Walter Garness and Leslie Cridge. Pouring will be Mmes. Luther Kennett, Martin Wicarius, Joseph Talbert and Charles Allen.

"... And our most precious heritage is more than just freedom of speech... it's the liberty to say what we think without thinking what we say!!"

"At the club we made plans to improve world conditions, discussed the National debt and passed a resolution putting those Russians on the defensive... and you complain because dinner isn't ready!"
